PLEASE SEE MAIN MENU

### Allergies & special dietary requirements

Please let a member of staff know if you have any allergies or special dietary requirements.

### Dogs

Dogs have always been welcome on the veranda and outdoor seating.

Customers are now welcome to bring dogs inside the Café after 1.45pm.

This is a quieter time in the Café, with more space. The Café is cleaned thoroughly every evening, so we can reassure any customers with allergies to dogs that the Café will be dog-free in the mornings and at lunchtime. I hope all customers will find this an acceptable compromise.

### Comments, compliments & complaints.

The Café has a comments book on the counter. Please let us know how we are doing, or if you have any suggestions for improvement. If you are unhappy about something please bring it to the attention of one of our staff and we will do our best to resolve the problem.
